1. End-User License Agreement for MG IT Solutions

This MG IT Solutions End-User License Agreement (EULA) is a legal agreement between you and MG IT Solutions for the software product that accompanies this EULA, including computer software and may include associated media, printed materials, and online or electronic documentation (hereinafter referred to as the "THE SOFTWARE PRODUCT"). The Software Product also includes any software updates, add-on components, web services and/or supplements to the original software product that MG IT Solutions may provide to you or make available to you after the date that you obtain your initial copy of the original software product. Any software provided along with the software product that is associated with a separate end-user license agreement is licensed to you under the terms of that license agreement. By installing, copying, downloading, accessing or otherwise using the Software Product, you agree to be bound by the terms of this EULA. If you do not agree to the terms of this EULA, do not install or use the Software Product. The Software Product is licensed, not sold.

2. Grant of License

This EULA grants you the following rights: The Software Product is licensed for a single user. A license for the Software Product may be shared or used concurrently by multiple computers belonging to the user. All rights not expressly granted are reserved by MG IT Solutions. Billing is based on overall space used, bandwidth and services per account and is all-inclusive according to current rates available at <http://www.cloud-backup.co.za/pricing/>

3. Description of other rights and limitations

Copy Protection: The Software Product may include copy protection technology to prevent the unauthorized copying of the Software Product or may require original media for use of the Software Product on the computer. It is illegal to make unauthorized copies of the Software Product or to circumvent any copy protection technology included in the Software Product.

Limitations on Reverse Engineering, Decompilation, and Disassembly: You may not reverse engineer, decompile, or disassemble the Software Product.

Software Rental: You may not rent, lease, lend or sell the Software Product without the express written consent of MG IT Solutions.

Support Services: MG IT Solutions may provide you with support services related to the Software Product. Any supplemental software provided to you as part of the support services shall be considered part of the Software Product and subject to the terms and conditions of this EULA. With respect to technical information you provide to MG IT Solutions as part of the support services, MG IT Solutions may use such information for its business purposes, including for product support and development. MG IT Solutions will not utilize such technical information in a form that personally identifies you.

Termination: Without prejudice to any other rights, MG IT Solutions may terminate this EULA if you fail to comply with the terms and conditions of this EULA. In such event, you must uninstall all copies of the Software Product and all of its component parts.

4. Upgrades

If the software product is labelled as an upgrade, you must be properly licensed to use a product identified by MG IT Solutions as being eligible for the upgrade in order to use the Software Product. A Software Product labelled as an upgrade replaces and/or supplements (and may disable) the product that formed the basis for your eligibility for the upgrade. You may use the resulting upgraded product only in accordance with the terms of this EULA.

5. Copyright

All title and copyrights in and to the software product (including but not limited to any images, photographs, animations, video, audio, music, text, and 'applets' incorporated into the software product), the accompanying printed materials, and any copies of the Software Product that are owned by MG IT Solutions or its suppliers. All title and intellectual property rights in and to the content which may be accessed through use of the Software Product is the property of the respective content owner and may be protected by applicable copyright or other intellectual property laws and treaties. This EULA grants you no rights to use such content. If this Software Product contains documentation that is provided only in electronic form, you may print one copy of such electronic documentation. You may not copy any printed materials accompanying the Software Product, if provided.

6. Backup Copy

After installation of one copy of the Software Product pursuant to this EULA, you may keep the original media on which the Software Product was provided by MG IT Solutions solely for backup or archival purposes. Except as expressly provided in this EULA, you may not otherwise make copies of the Software Product or the printed materials accompanying the Software Product.

7. Customers Remedies

MG IT Solutions' and its suppliers' entire liability and your exclusive remedy shall be, at MG IT Solutions' discretion, either (a) return of the price paid, if any, or (b) repair or replacement of the Software Product which is returned to MG IT Solutions with a copy of your receipt.

8. No Warranties

MG IT Solutions disclaims all warranties and conditions, ether express or implied. Including, but not limited to, implied warranties for a particular purpose, title, and non-infringement, with regard to the Software Product, and the provisions of or failure to provide support services. In no event shall MG IT Solutions be liable for any special, incidental, indirect or consequential damages whatsoever including, without limitation, damages for loss of business interruption, business profit, loss of business information, or any other pecuniary loss arising out of the use or the inability to use the software product or the provision of or failure to provide support services, even if MG IT Solutions has been advised of the possibility of such damage. In the case, MG IT Solutions' entire liability

under any provisions of this EULA shall be limited to the greater of the amount actually paid by you for the Software Product.
